"The Christian faith has clear commands in regard to our interaction with others, brought into a fresh application in the midst of a pandemic.

Could it be that wearing a mask in public settings where social distancing isn't possible, or in enclosed places where the risk of spread runs higher, is simply a matter of loving our neighbor, or taking a bowl of water and a towel and washing their feet? ...it's one of the clearest, easiest ways to show the love of Jesus to others."
