Growing together

August 2020

Message from Pastor Glenn

From the Pastor's desk at Cross Lutheran Church-NALC,

Early one evening, many years ago, as I sat content and relaxed in my living room recliner, heavy machinery began removing the roadway surface outside our home causing the earth to shake. As the sounds and vibrations varied in intensity, I began to think of the sheer amount of physical force and power needed to shake my recliner from such a distance. Granted this activity didn't last very long, but there were times when I wondered if they were working in the next room; soon to break through the wall. For the next few nights, we experienced a similar practice. In the quietness of the evening, the earth moving machines would suddenly shake the ground. Then after listening to powerful machinery and feeling the house shake for a few minutes, peace would once again return to the neighborhood.

The road construction crew had been working on the street for many weeks, but their initial work began several blocks away. The street had been dug up, and nearby sat amazingly large boulders that had been excavated. In one lawn, I saw a rock was larger than a small car! I saw front yards in disarray and the sod overturned. I saw that that my neighbor's water supply had been disconnected for many hours and now the temporary water supply lines lay exposed in their front yards. I saw that their driveways had been torn up and they had to park their vehicles on the next block each evening. The loud sounds and the ground shaking must have been going on for quite a while, but it didn't affect our area. That activity was blocks away and hardly noticeable.

Now all of those things that had happened to my neighbors down the street were happening on our block! When road work moved within a stone's throw away from our home, it suddenly became very noticeable; it became personal. Earlier, I lightly took notice of how it was for my neighbors down the street, but now I realize in my seeing, how much I really failed to see. I realize that this was a perfect opportunity to have my recliner "shaken."

Maybe when we see from afar our neighbor enduring inconveniences or hardships, we see it and know that it is happening, but we can easily turn away, only seeing what is happening on the surface. From a distance, we don't hear the

same noise or feel the earth shake, until we are in the depths of a similar situation. As brothers and sisters in Christ, we need to be sensitive and compassionate toward others that are affected in ways that we cannot readily see, in ways that we cannot readily feel.

The word, “mission” can create images of needy people in other countries, but in order for our mission field to grow, we must first begin serving those within our reach; in our church and our local communities. There will always be a construction zone somewhere that is going to affect a neighbor at some time. We shouldn’t wait for a construction zone to surround us, before we realize that there will always be people in need. Our vision must widen to see all around us. Our eyes must realize our neighbor’s needs beyond what we only see at the surface.

May we see beyond our own comfort and peace, when our skies are blue and our pathways are straight and smoothly surfaced. May we take time to reach out to friends, relatives, and neighbors to see if they need a gentle hand or a kind word of comfort and peace from the daily trials that can shake our world. May we boldly share the peace of God as we have been commanded to do and may we share the Good News of Jesus Christ and the hope of the resurrection as we reach out to one another in faith, hope, and love.

“For God alone, O my soul, wait in silence, for my hope is from him.

He only is my rock and my salvation, my fortress; I shall not be shaken.

On God rests my salvation and my glory; my mighty rock, my refuge is God.”

(Psalm 62:5-7)

In Christ, Pastor Glenn

School News

From the Desk of . . . David
Faupel

August is normally the month that we begin our school year. As we all know, though, nothing about 2020 is normal! This year school will start after Labor Day, and it will certainly look quite different than it has in the past. Our school staff has been working hard over the summer to come up with new procedures to enable us to follow state mandates and to do what we can to keep our students safe while still ensuring that learning can take place.

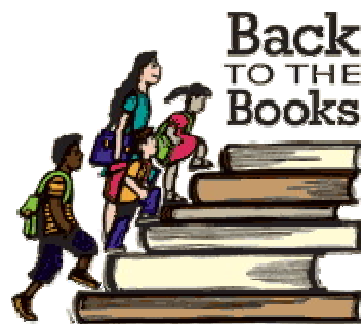

What will be different? Students will wear masks when traveling through the hallways and other common areas. Regular hand-washing will be part of everyone's daily routine. Students will be more physically distant. While all of these things may be inconvenient (I do not particularly enjoy wearing a mask), really they are pretty simple things to do. They are things that our government authorities are telling us to do for our safety. What should our attitude and response as Christians be to this? *"Let everyone be subject to the governing authorities, for there is no authority except that which God has established. The authorities that exist have been established by God. Consequently, whoever rebels against the authority is rebelling against what God has instituted, and those who do so will bring judgement on themselves...Give to everyone what you owe them: If you owe taxes, pay taxes; if revenue, then revenue, if respect then respect; if honor, then honor."* Romans 13:1-2,7

It is easy to focus on the negative aspects of things going on in the world and in our own lives. It is easy to complain. However, this is not what God has called us to. He has called us to love. "By this everyone will know that you are my disciples, if you love one another." John 13:35

Instead of focusing on the negative, think about all of the blessings that God has given. God is working things for His good (see Romans 8), even in the current situation. I don't know about you, but I don't want to miss what God is doing because I am too focused on the negative things happening in the world. These are some of the messages we have an opportunity to teach and live out in front of our children, students, neighbors, friends, and enemies this year. Let's not miss what God has in store for us!

**School starts on
September 8th -
See you then!!**

~~~~~  
**THANK YOU!!!**

The students and staff of Cross Lutheran School would like to thank the Cross Women's Quilting Group for all their hard work and many hours spent in making the 300+ masks needed for our students this school year. We appreciate you!!

side one another, we must remember that the Spirit of God continues to connect us in spiritual ways that the world cannot see. Watch, listen and learn from our God who walks with us as we fellowship together in His Spirit and truth! The title of Session 2 is "Forebear One Another". The readings are from Ephesians 4:1-6, 25-26. We will be practicing social distancing and are encouraged to wear masks.

Let's continue walking together!  
Questions contact Leanne Smith 989-553-4241.

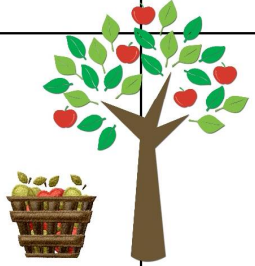

Pastor Glenn and LuAnne Sokolowski have received many cards and good wishes along with other gifts in the past few months in celebration of our June wedding anniversary, Pastor

Glenn's surgery recovery, and for Pastor's birthday in July. We have recently realized a one-year anniversary of our first trip to Pigeon, Michigan and to Cross Lutheran Church and School. God continues to show us the blessings of Christian love and friendship here in this time and place. We are grateful for the love you show us and others in need. We pray for your well-being and for God's plan to use you and us to further His Kingdom on earth by sharing the Good News of His love and salvation.
